Policy number	7	Version	1

Responsible person	K Robinson	Committee on Scheduled review date	01/07/2021

INTRODUCTION

The Committee of Gallipoli Barracks Community Centre is committed to high standards of ethical conduct and accordingly places great importance on making clear any existing or potential conflict of interest.

PURPOSE

This policy has been developed to provide a framework for:

- all Committee Members in declaring conflicts of interest; and
- the Committee, when determining how to deal with situations of conflict.

POLICY

A conflict of interest may occur if a financial interest or a relationship influences or appears to influence the ability of a Board Member to exercise objectivity.

The Committee places great importance on making clear any existing or potential conflicts of interest. All such conflicts of interest shall be declared by the member concerned. All financial conflicts of interest, as defined by statute, shall be documented in the Committee's Conflicts of Interest Register.

Where a Committee member has an actual or perceived financial conflict of interest, as defined by statute, that Committee member shall not initiate or take part in any Committee discussion on that topic (either in the meeting or with other Committee members before or after the Committee meetings), unless expressly invited to do so by unanimous agreement by all other members present.

Where a Committee member has an actual or perceived financial conflict of interest, as defined by statute, that Committee member shall not vote on that matter.

Where a Committee member has an actual or perceived conflict of interest related to their relationship with an employee or volunteer of the organisation, or any other person having dealings with the organisation, that Committee member shall not initiate or take part in any Committee discussion on that topic (either in the meeting or with other Committee members before or after the Committee meetings), unless expressly authorised to do so by the Committee.

Where a Committee member has an actual or perceived conflict of interest related to their relationship with an employee or volunteer of the organisation, or any other person having dealings with the organisation, that Committee member shall not vote on that matter, unless expressly authorised to do so by the Committee.

The Committee may further supplement the definition of conflict of interest from time to time if it so wishes, and may specify the procedures to apply in such cases.

Committee members are not barred from engaging in business dealings with the organisation, provided that these are negotiated at arm's length without the participation of the Committee member concerned.

A Committee member who believes another Committee member has an undeclared conflict of interest should specify in writing to the Secretary the basis of this potential conflict.

'Conflict of interest' is defined as applying in accordance with the statute, where a Committee member stands to gain from any business dealings, programs or services of the organisation, other than where:

- b. the person is an employee of the organisation, and the gain is of a nature common to other employees.

If the organisation has by-laws, 'conflict of interest' is defined under the by-laws where:
